

# Emma Searson

Director  
100% Renewable Campaign  
Environment America

# About Environment America

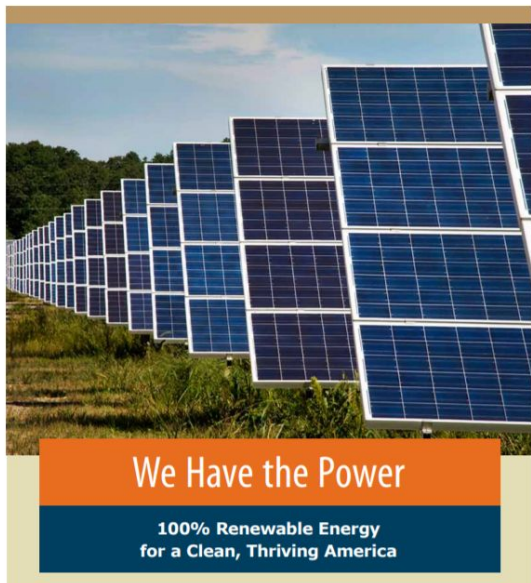

- Our Mission: Clean Air, clean water, clean energy, wildlife & open spaces, liveable climate
- National network in 29 states
- Focus on timely, targeted action

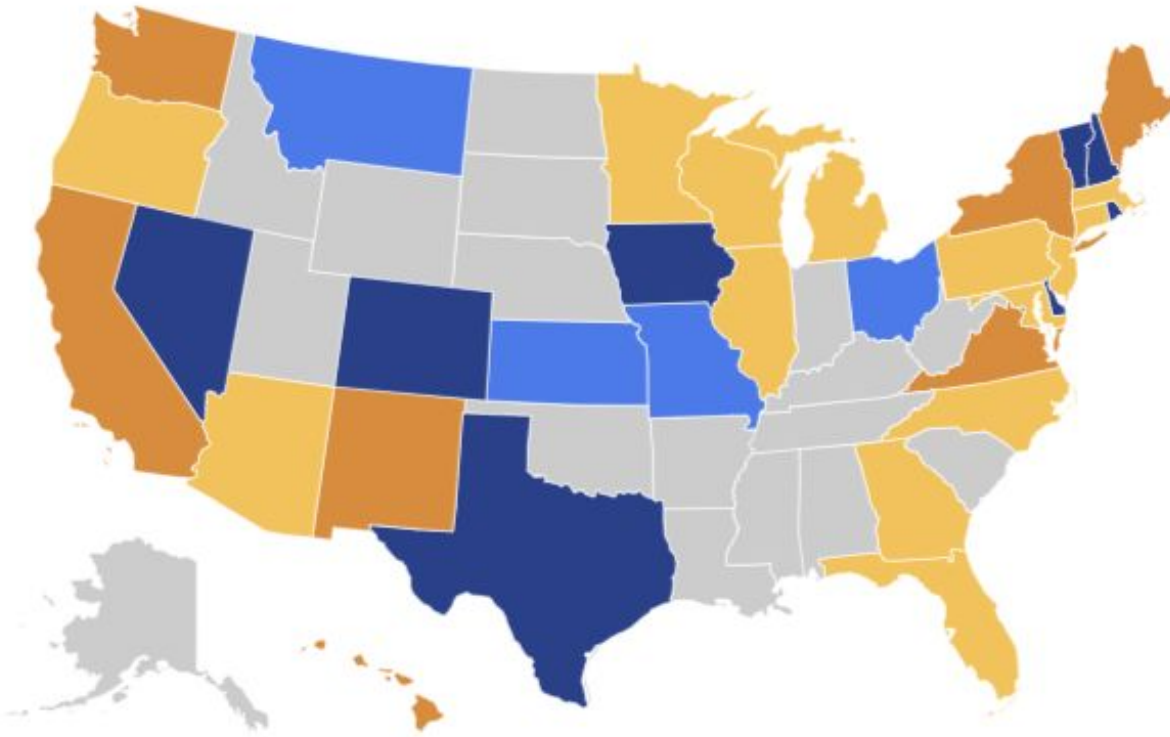

# 100% Renewable Campaign

Goal: Convince 10 states to go 100% renewable within 5 years (by 2023)

# Progress so far

## States:

- With binding RE requirements
- That have increased their goals
- Committed to 100%
- Where we have campaigns

## Cities

## Institutions
