

CELCIUS²

Circular. Eye-opening. Limitless. Community.
Innovative. Unconventional. Self-sufficient.

Arnoud Draijer
Projectmanager Celcius

About us

“Sustainability and living, two aspects that we believe go hand in hand. And until everyone believes this, we keep dreaming.”

Meet the team

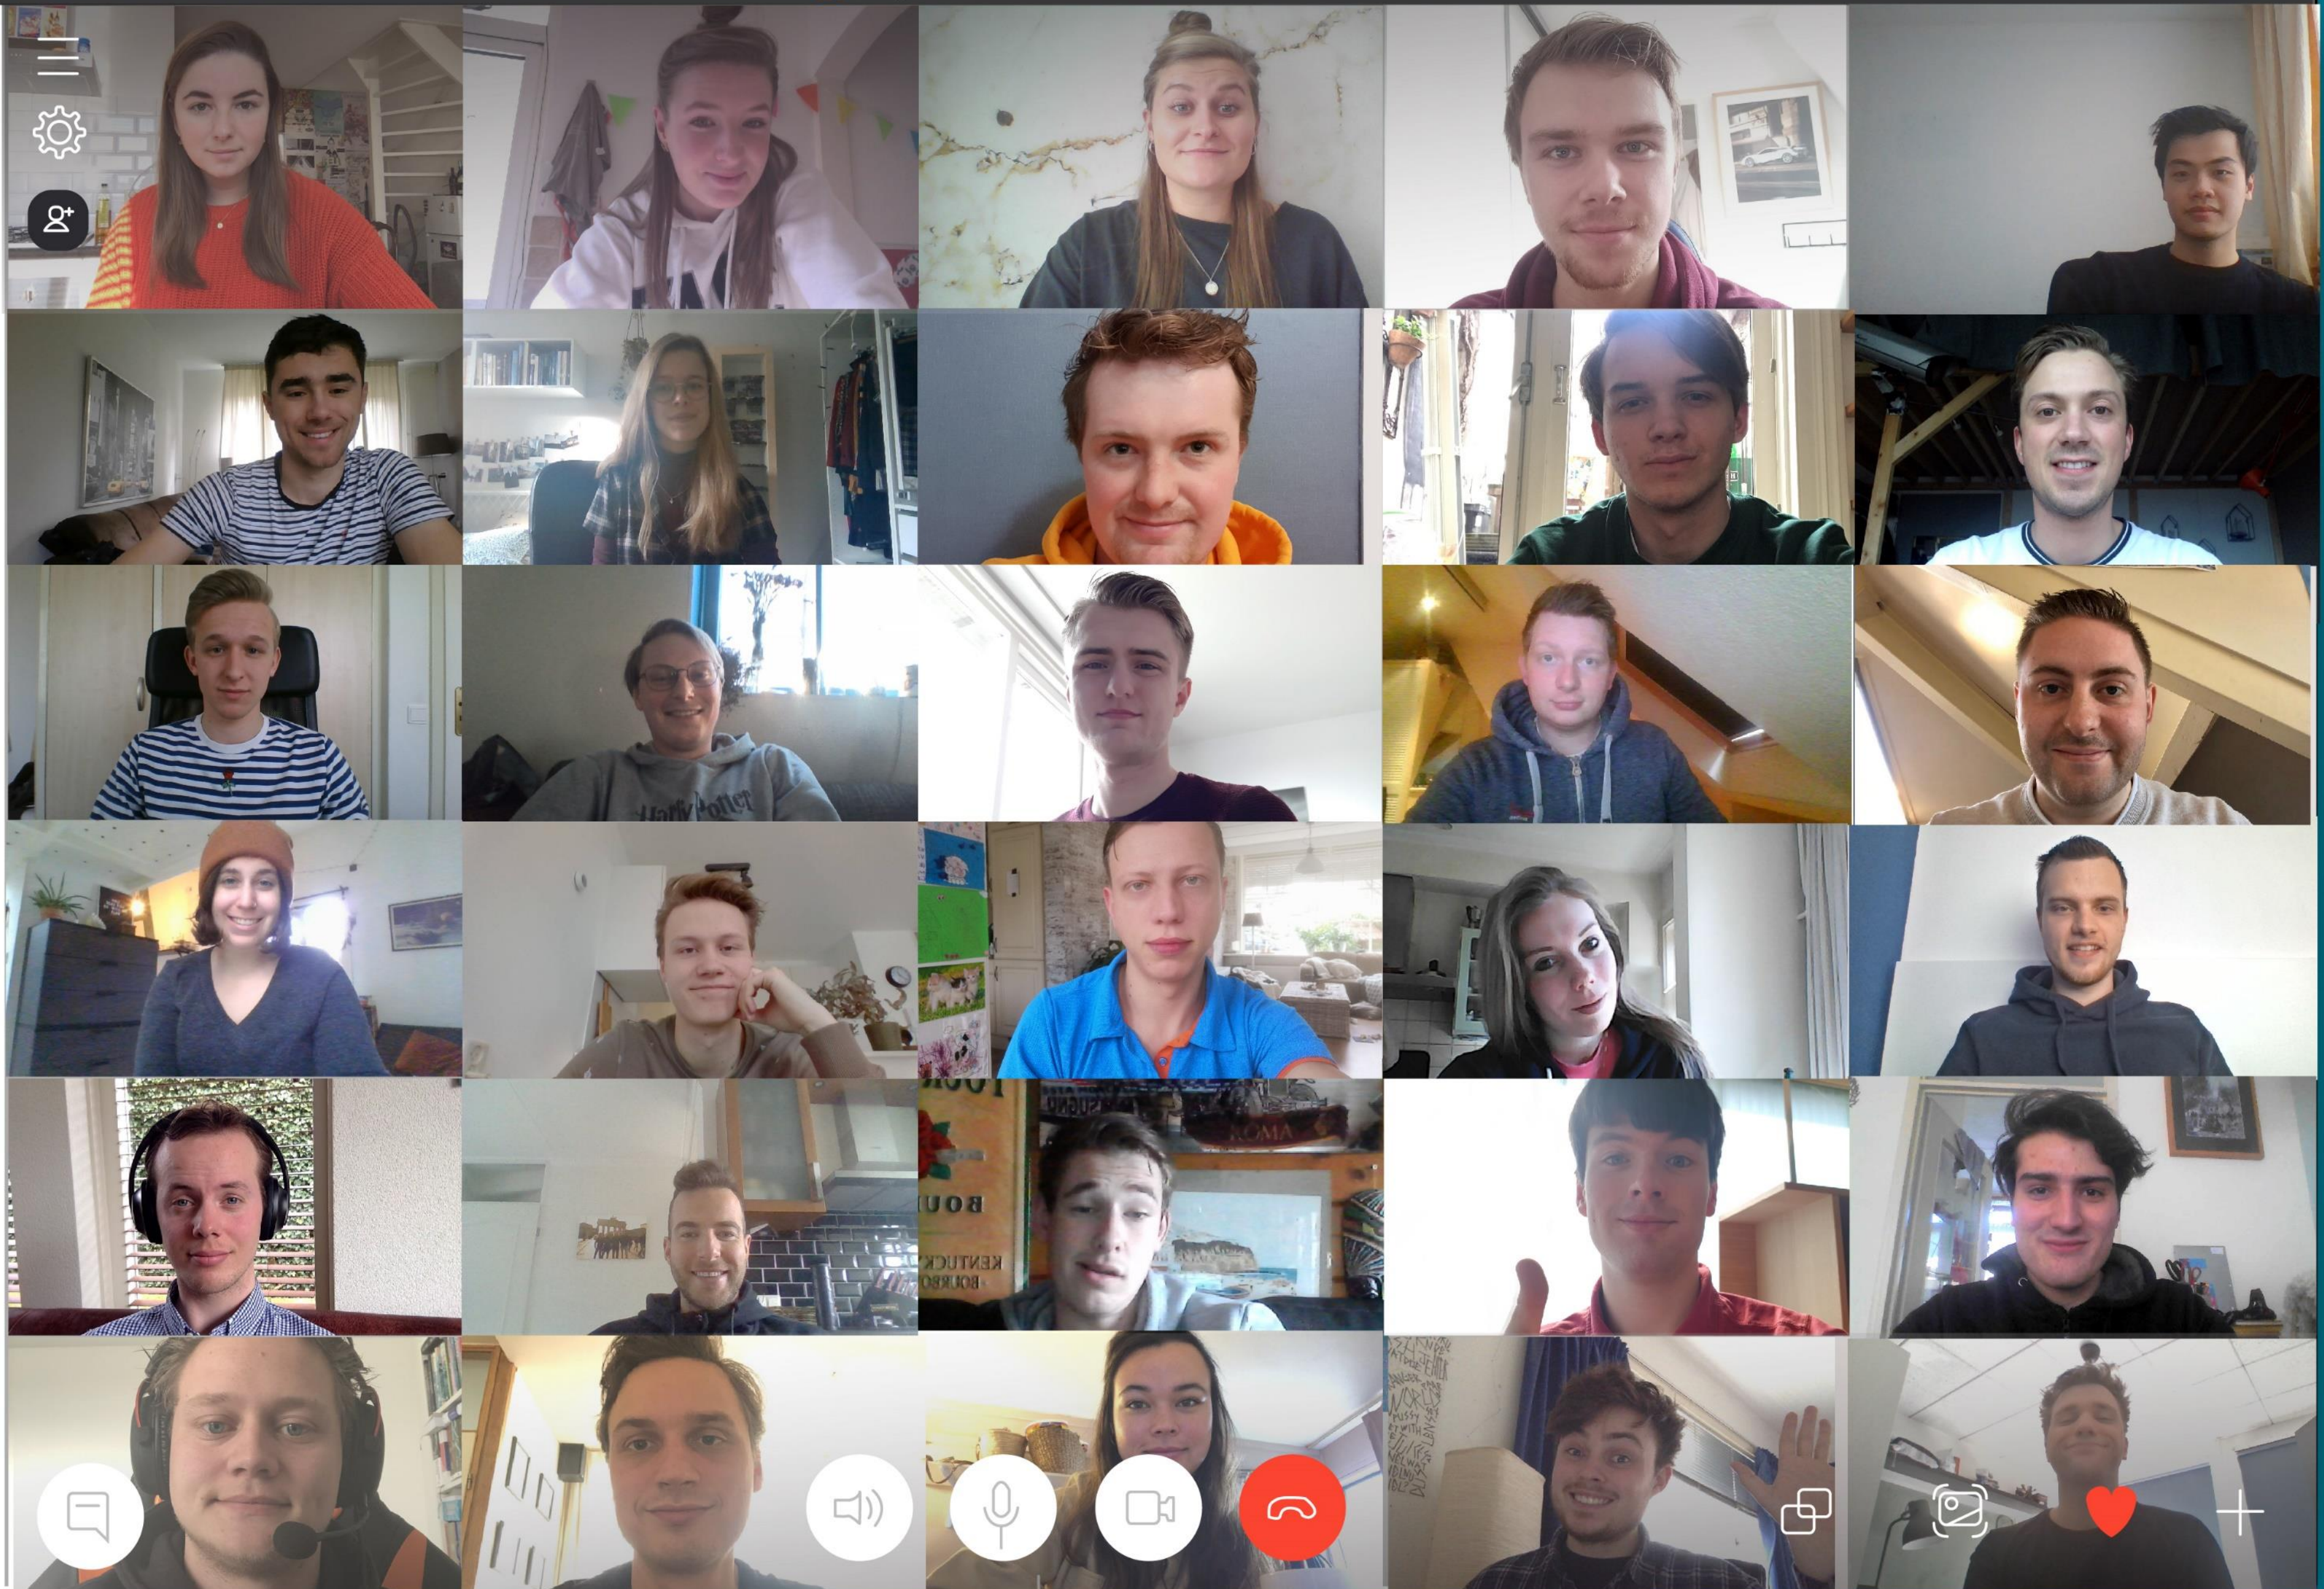

- 60 students
- 11 different studies
- 5 coaches

31 people in the call | 05:51 | Gallery

A head-and-shoulders portrait of Dr. David J. Reardon, a man with dark hair and a beard, wearing a light-colored collared shirt. He is looking directly at the camera with a neutral expression. The background is a plain, light-colored wall.

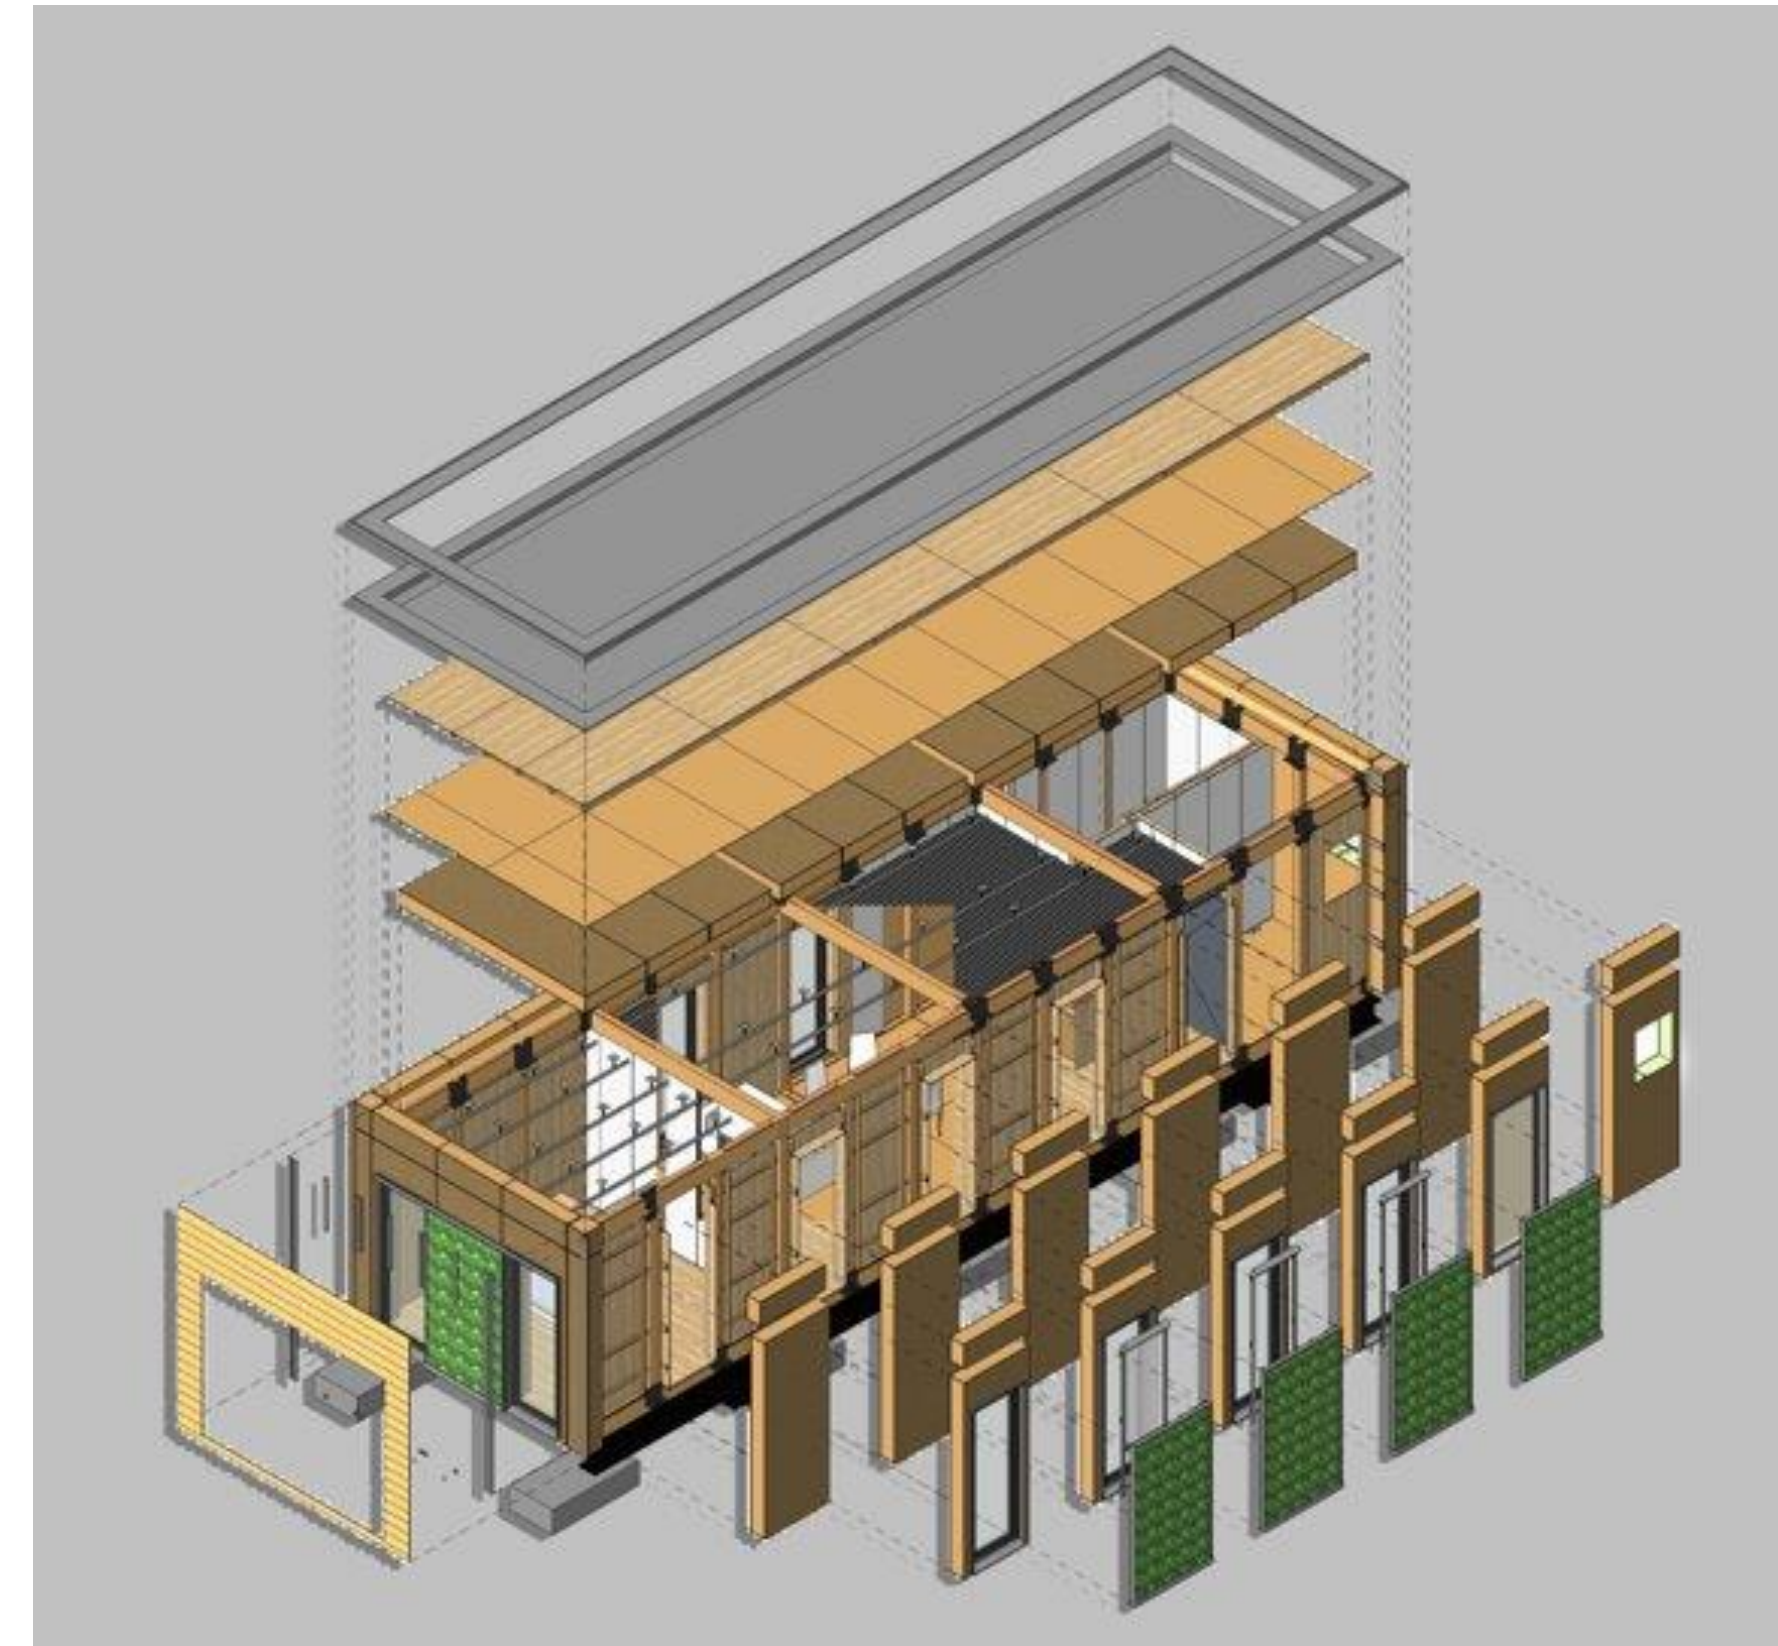

• • •

Circular

Use of recyclable materials

- Wooden construction
- Modular

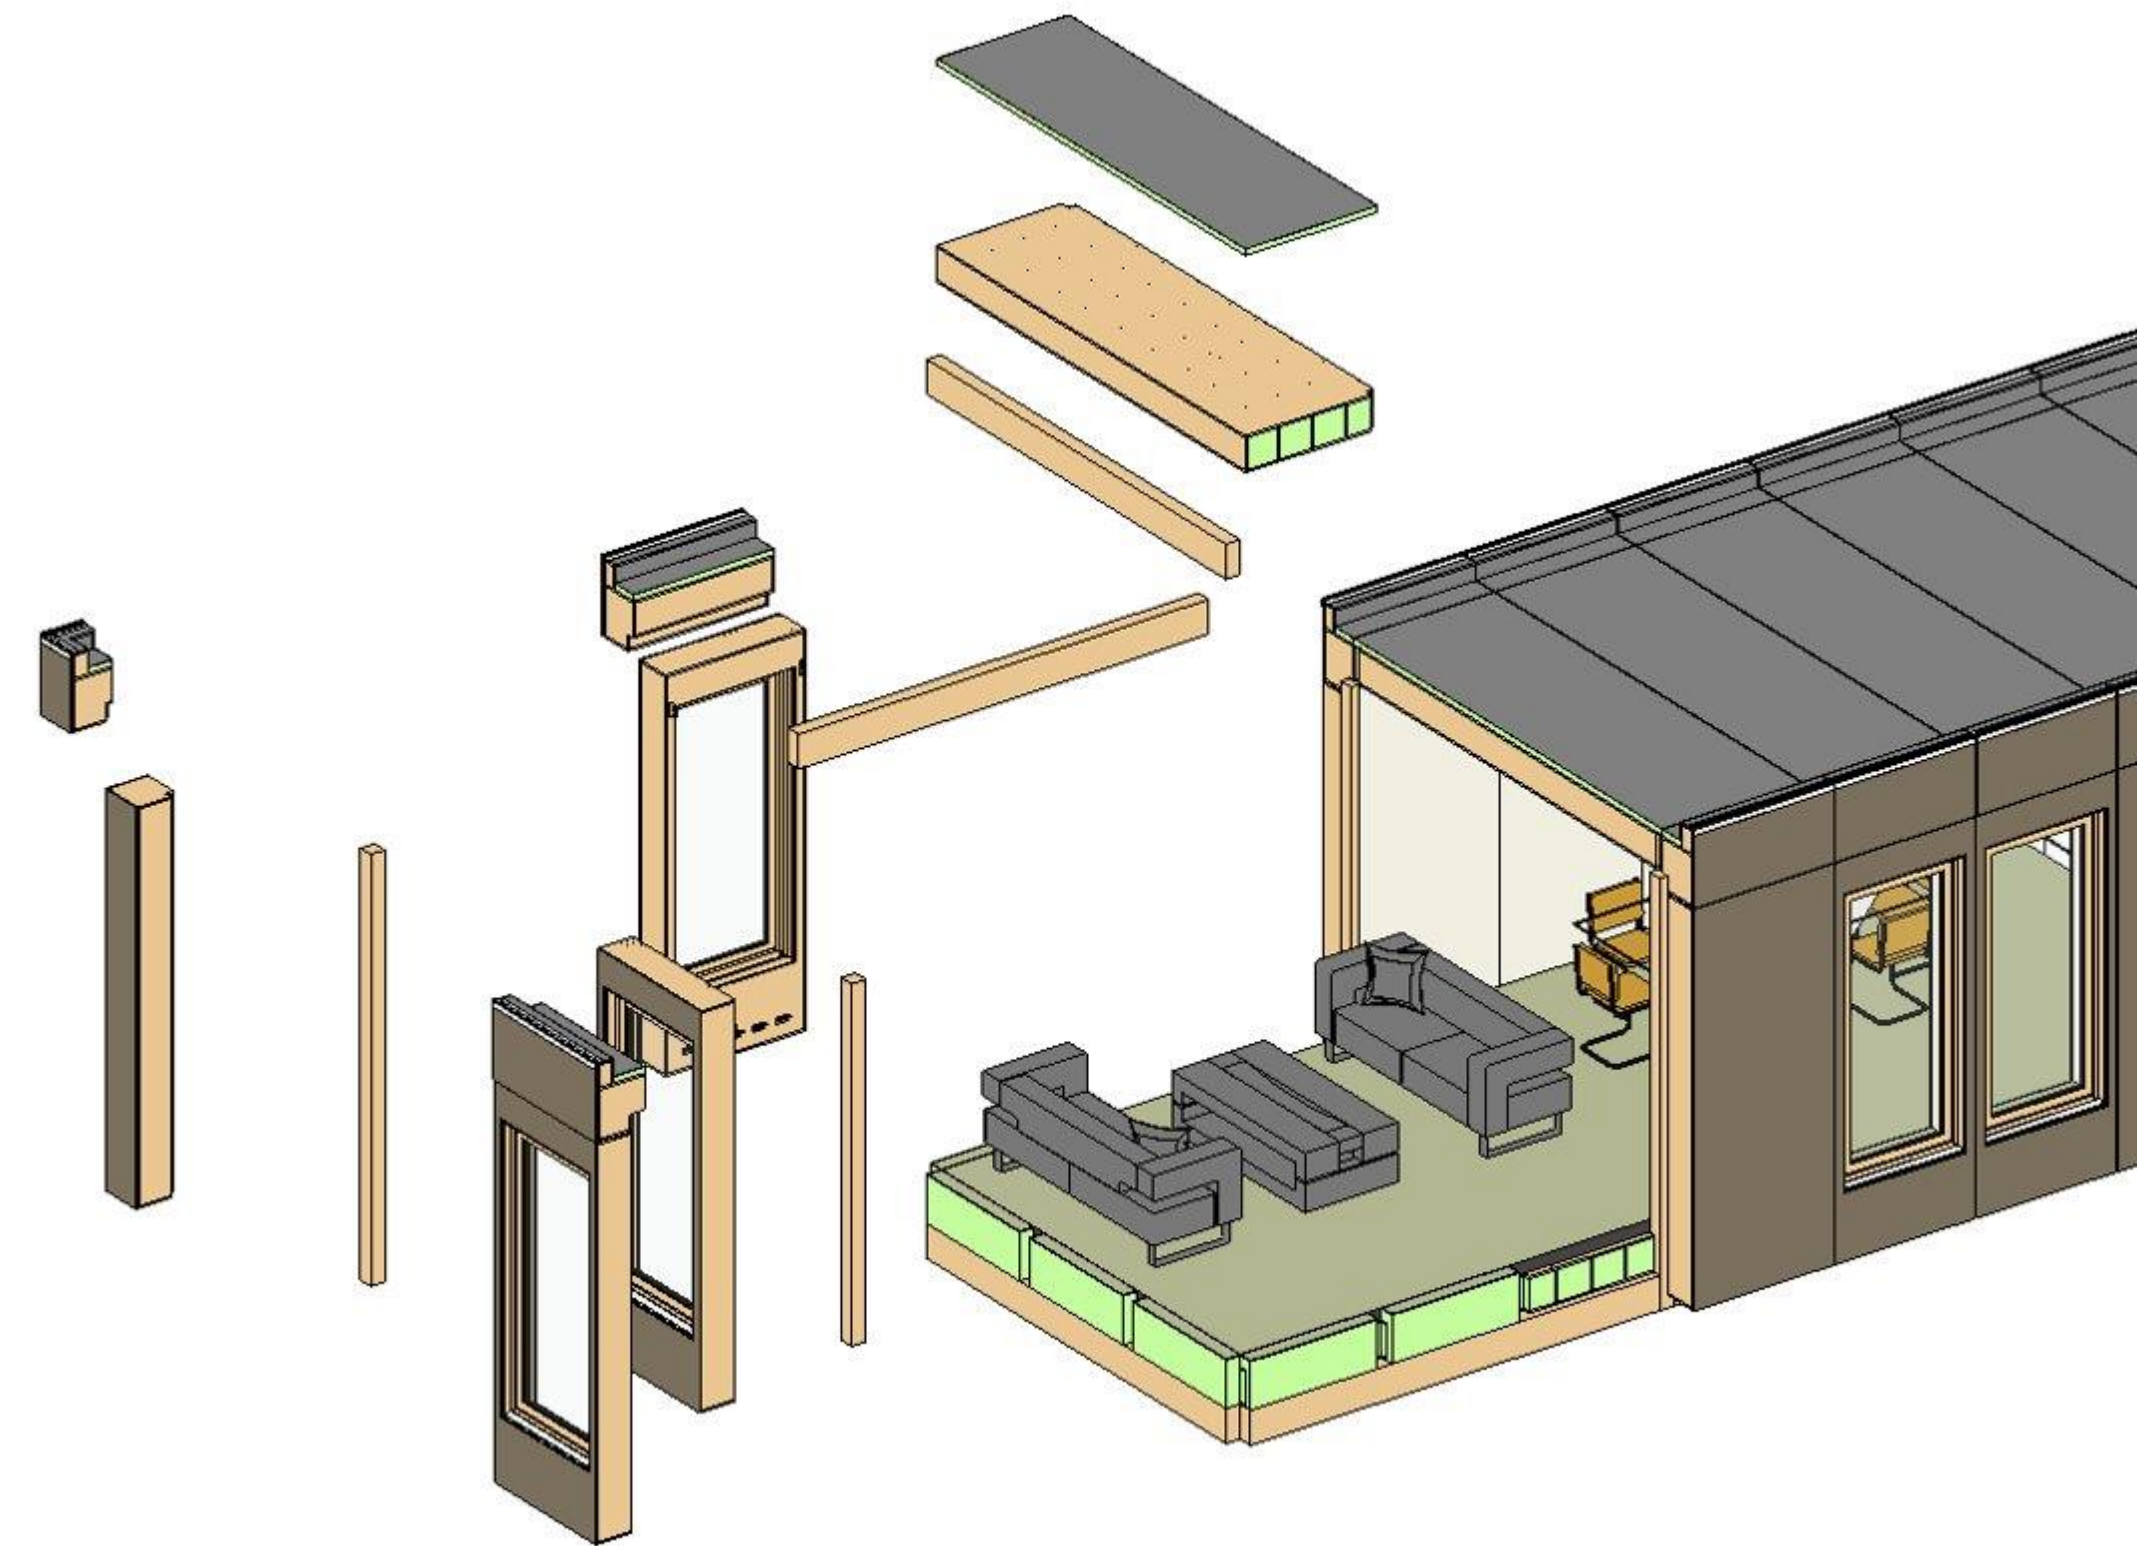

Eye-opening

Limitless

- Endless expandable

Community

- Not just a house, a whole community.

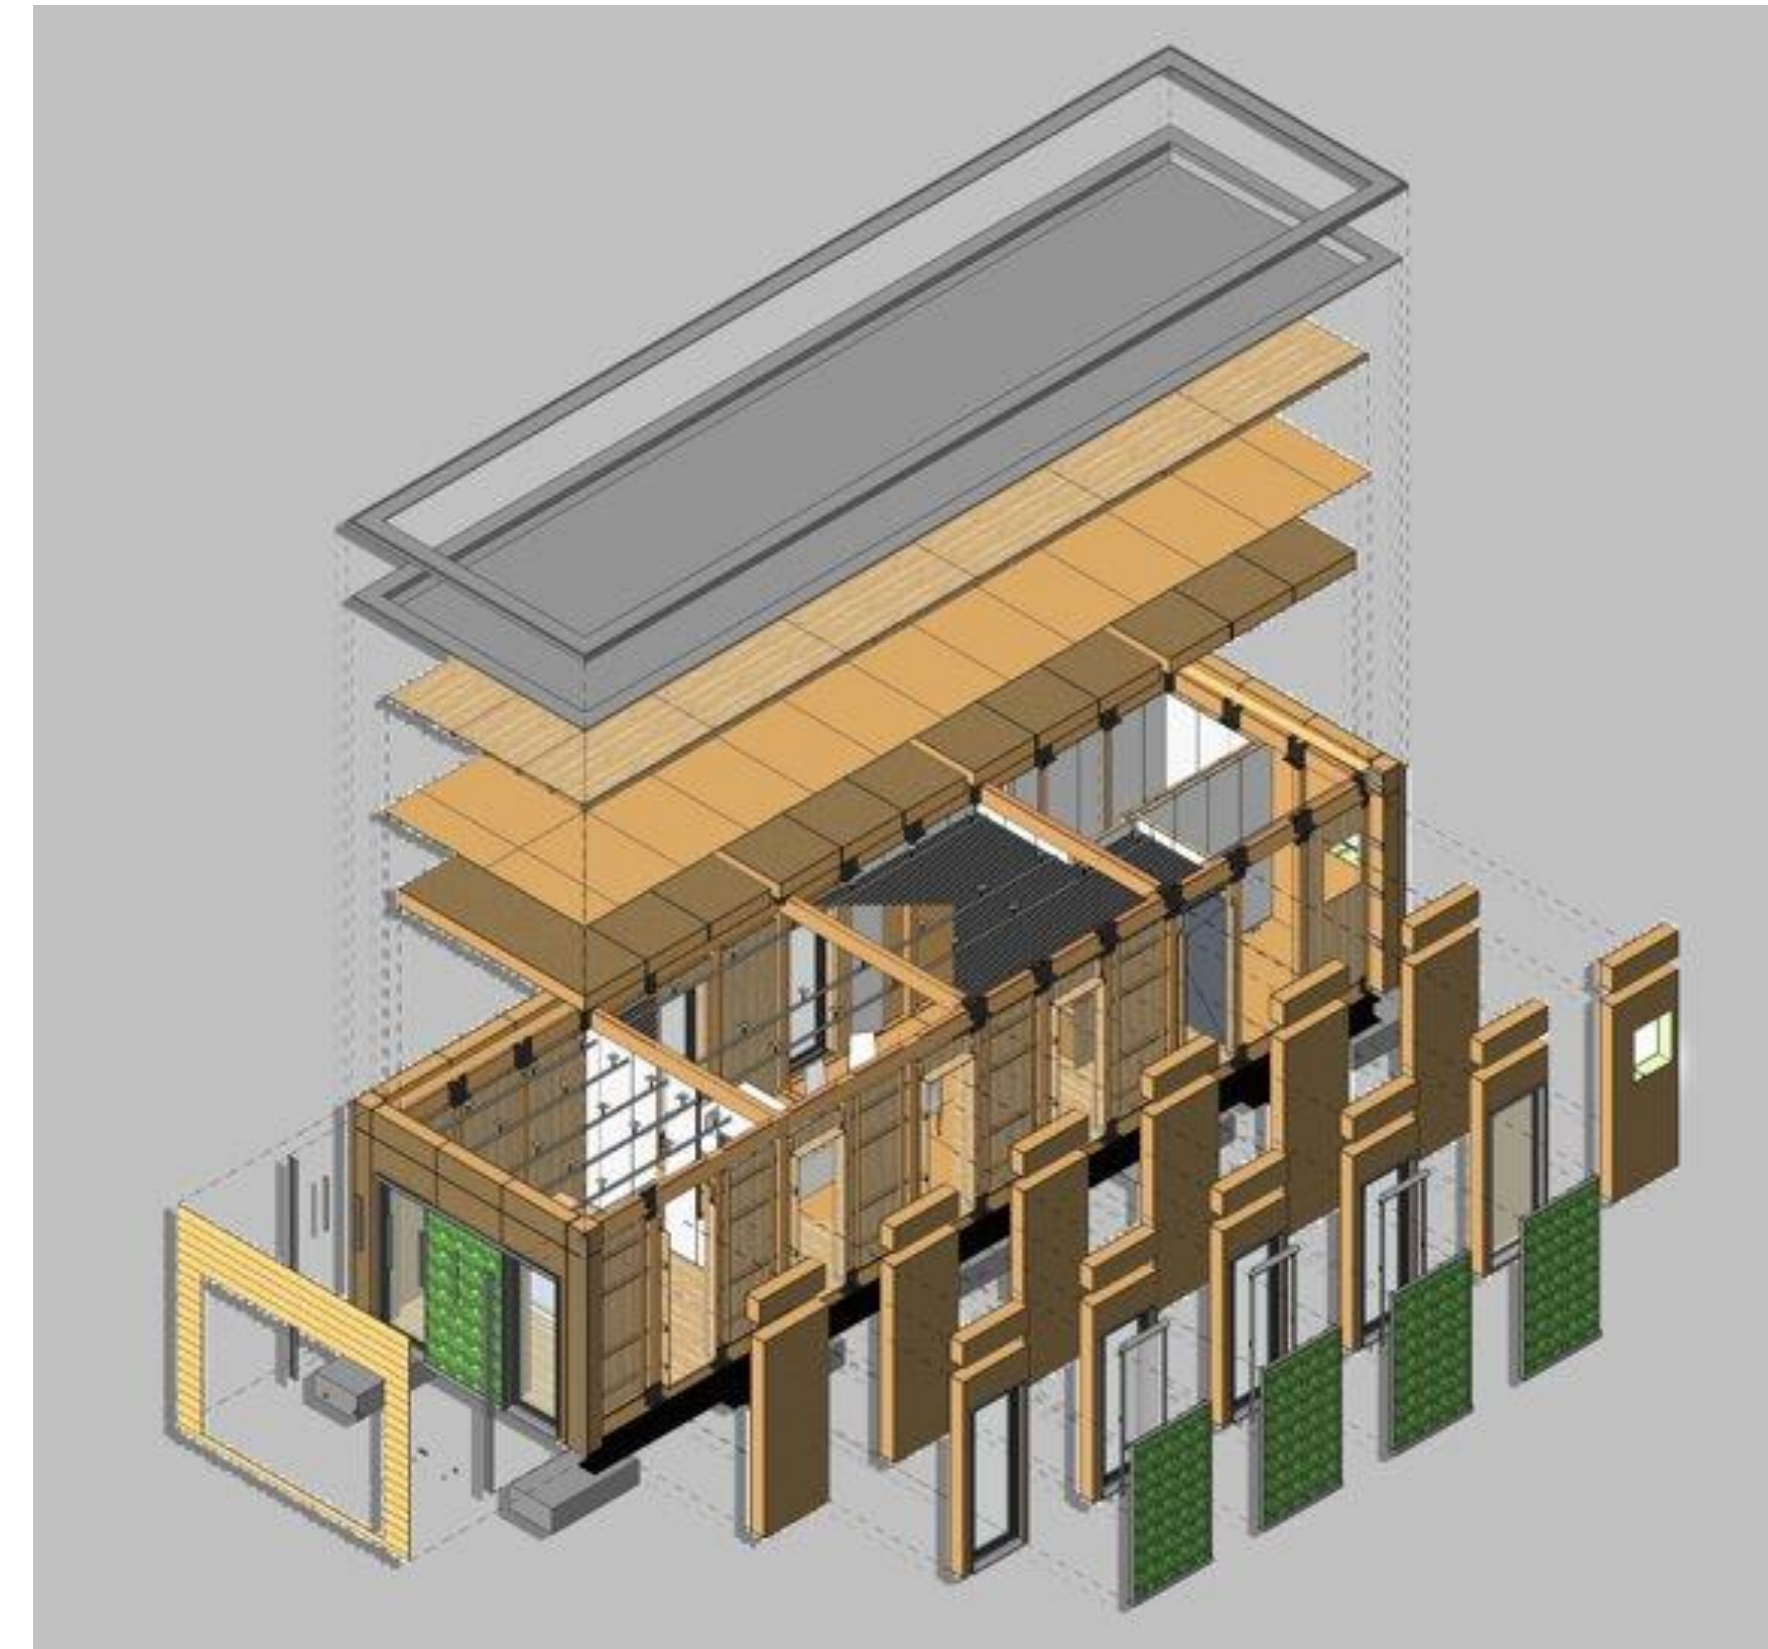

Innovative

- **Connecting different systems**

Unconventional

- A simple building package

Self-sufficient

- We generate the energy we need to use.

The start of our construction
